

The COVID-19 Vaccine and Cancer

A Free Virtual Workshop Presented by
Cancer Support Community Atlanta

Featuring:

Ronald Tribble Jr., MD, PhD
Infectious Diseases Specialist
Georgia Infectious Diseases, PC

Program Moderator:

James Lennon, DO
Medical Oncologist
Georgia Cancer Specialists

How safe is the COVID-19 vaccine and should I still get vaccinated if I've been diagnosed with cancer? Join this live virtual program to hear Dr. Ronald Tribble Jr. address these and other topics related to the COVID-19 vaccine.

Dr. James Lennon will moderate this program, where participants will have the opportunity to ask questions.

Thursday, March 25, 2021
12:00 - 1:00 p.m.

Register in advance for this program on our website at:
